AUDIT TIMETABLE.....	6

EXECUTIVE SUMMARY

We are pleased to present our Audit Plan for the year ending 31 March 2014. This plan summarises the work that we propose to undertake in respect of our audit of Babergh District Council for the 2013/14 financial year.

Significant Risks

Our audit is designed to respond to significant risks and identify where we intend to focus our resources in providing our opinion on the financial statements and our value for money conclusion. Summarised below are the significant risks that impact on our audit of which we are currently aware:

AREA OF AUDIT	SUMMARY OF SIGNIFICANT RISKS
Financial statements	<ul style="list-style-type: none">Management override inherent risk: Auditing standards presume that a risk of management override of controls is present in all entities and require us to respond to this risk by testing the appropriateness of accounting journals and other adjustments to the financial statements, reviewing accounting estimates for possible bias and obtaining an understanding of the business rationale of significant transactions that appear to be unusual.
Use of Resources	<ul style="list-style-type: none">We have not identified any significant risks in relation to use of resources but have noted a number of areas we will be considering as part of our work within the detailed risk assessment.

Fees

As set out in our Planning Letter 2013/14, the proposed core audit fee for the year is £64,182 plus VAT, which agrees to the scale fee published by the Audit Commission. The proposed fee for the certification of claims and returns is £33,700 plus VAT, which agrees to the composite scale fee published by the Audit Commission.

Key outputs

The key reports, opinions and conclusions from the audit will be:

REPORT	DATE
Report on any significant deficiencies in internal controls, if required, based on the results of our interim audit visit	May 2014
Final report to those charged with governance	September 2014
Independent auditor's report including: <ul style="list-style-type: none">Opinion on the financial statementsValue for money conclusionCertificate	By 30 September 2014
Assurance statement on the Whole of Government Accounts return	By 3 October 2014
Summary of findings from the audit in the Annual Audit Letter	October 2014
Report on the results of our grant claims and returns certification work	February 2015

SCOPE OF THE AUDIT

Purpose of the audit plan

The purpose of this audit plan is to:

- Ensure that there is mutual understanding of the respective responsibilities relating to the audit
- Provide you with an overview of the planned scope of the audit for the year ending 31 March 2014
- Ensure that the areas of potential risk of material misstatement which we have identified are consistent with the areas which you perceive to be the key areas and to promote effective two-way communication between us.

We will also provide reports to management and those charged with governance (“the Audit Committee”) on the findings of the audit which will focus on the significant matters arising from the audit of the Council regarding internal control, financial governance and reporting and accounting arrangements. We aim to provide management with clear recommendations that will add value to the Council.

Respective responsibilities

Our responsibilities, as auditors, in relation to the audit of the financial statements and other Audit Commission requirements are set out below. The audit of the financial statements does not relieve you of your responsibilities which are outlined in the Statement of Responsibilities of Auditors and Audited Bodies (2010) available from the Audit Commission’s website.

Auditing Standards require auditors to communicate relevant matters relating to the audit to “those charged with governance”. Relevant matters include issues on auditor independence, audit planning information and findings from the audit.

We will communicate matters of governance interest that have come to our attention as a result of the performance of the audit. Communication may take the form of discussions or, where appropriate, be in writing. The audit is not designed to identify all matters that may be relevant to you.

Our contacts for communications will be the Corporate Manager - Financial Services and the Audit Committee. When communicating with the Audit Committee we will consider all individuals representing those charged with governance as informed and our responsibilities for communicating relevant matters will be discharged.

The primary responsibility for ensuring that your internal control frameworks are robust enough to prevent and detect fraud and corrupt practices lies with management and “those charged with governance”.

We have a responsibility to consider specifically the potential risk of material misstatement of your financial statements as a result of fraud and error, including the risk of fraudulent financial reporting. We have discussed possible risk of material misstatement arising from fraud with the following individuals:

- Barry Hunter - Corporate Manager - Financial Services (including Babergh s151 officer)
- John Snell - Head of Internal Audit

Please let us know if there are any other actual, suspected or alleged instances of fraud of which you are aware.

For all fraud risks, and for any actual frauds that have been identified and we have been informed of, we will consider the possible impact on your financial statements and our audit programme.

Code audit

The scope of the audit is determined by the Audit Commission’s Code of Audit Practice for Local Government (2010) (the ‘Code’), which covers two areas: provide an opinion on the financial statements, and to review the arrangements for securing economy, efficiency and effectiveness in the use of resources (value for money conclusion).

The financial statements audit requires that we obtain assurance:

- That the financial statements comply with statutory requirements
- That proper practices have been observed in compiling the financial statements
- That the financial statements give a true and fair view of the financial position and the expenditure and income for the year
- The information given in the Explanatory Foreword is consistent with the financial statements
- That the Annual Governance Statement is not inconsistent with our knowledge.

As part of our audit we obtain an understanding of the Council's system of internal control sufficient to plan the audit. We assess the adequacy of the design of specific controls that respond to significant risks of material misstatement and evaluate whether those controls have been implemented. Where we intend to place reliance on particular controls for the purposes of our audit, we will carry out procedures to test the operating effectiveness of those controls and use the results of those procedures to determine the nature, timing and extent of further audit procedures to be performed.

In order to achieve an efficient and cost effective audit, we aim to work closely with Internal Audit to minimise duplication and the overall level of audit resource input.

We have planned the audit on the basis that we will be able to place full reliance on the work of Internal Audit where they intend to provide assurance over key controls within the financial systems.

We will communicate to management any deficiencies in internal control identified during the audit. Where those deficiencies are significant, we will also communicate to those charged with governance.

Materiality and triviality

Materiality is the expression of the relative significance or importance of a particular matter in the context of the financial statements as a whole. In carrying out our work we will apply an appropriate level of materiality and as such the audit cannot be relied upon to identify all potential or actual misstatements.

For reporting purposes, we consider misstatements of less than £21,000 to be trivial, unless the misstatement is indicative of fraud. We are required to bring to your attention unadjusted audit differences that are more than trivial that the Audit Committee are required to consider and we will request that you correct them.

Value for money conclusion

The Code requires auditors to issue a conclusion on whether the audited body has put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

This is based on the following two reporting criteria:

- The organisation has proper arrangements in place for securing financial resilience; the organisation has robust systems and processes to manage financial risks and opportunities effectively, and to secure a stable financial position that enables it to continue to operate for the foreseeable future
- The organisation has proper arrangements for challenging how it secures economy, efficiency and effectiveness; the organisation is prioritising its resources within tighter budgets, for example by achieving cost reductions and by improving efficiency and productivity.

We will plan a programme of value for money audit work based upon our risk assessment.

Whole of Government Accounts

Local authorities are required to prepare information to allow HM Treasury to prepare consolidated Whole of Government Accounts (WGA) based on the statutory financial statements.

The WGA return is audited in accordance with Audit Commission specified procedures. We provide an assurance report to the National Audit Office to confirm that the WGA return is consistent with the audited financial statements and that it is properly prepared.

Certification of grant claims and returns

As an agent of the Audit Commission we will undertake a review of grant claims and returns in accordance with the certification instruction issued by the Audit Commission. We express a conclusion as to whether the claim or return: is in accordance with the underlying records (claims and returns above the minimum level and below the threshold); or is fairly stated and in accordance with the relevant terms and conditions (claims and returns over the threshold).

Engagement partner

Richard Bint is the engagement partner and is the person in the firm who is responsible for the audit engagement and its performance and for the report that will be issued on behalf of the firm.

We aim to provide a high quality of service to you at all times. If, for any reason or at any time, you would like to discuss how we might improve the service, or if you are in any way dissatisfied, please contact Richard Bint in the first instance. Alternatively you may wish to contact our Managing Partner, Simon Michaels. Any complaint will be investigated carefully and promptly.

If you are not satisfied you may take up the matter with the Institute of Chartered Accountants in England and Wales (“ICAEW”).

In addition, the Audit Commission’s complaints handling procedure is detailed in their leaflet “How to complain: What to do if you want to complain about the Audit Commission or its appointed auditors”, which is available on their website <http://www.audit-commission.gov.uk/about-us/contact-us/complaints>

Independence and objectivity

We are required to communicate to those charged with governance, at least annually, all relationships that may bear on the firm’s independence and the objectivity of the audit engagement partner and audit staff.

In relation to the audit of the financial statements for Babergh District Council for the financial year ending 31 March 2014, we are able to confirm that the Audit Commission’s requirements in relation to independence and objectivity have been complied with and we are not aware of any relationships that would affect our independence. Should this change we will update you accordingly.

RISK ASSESSMENT

We are committed to targeting work to where it will have the greatest effect, based upon assessments of risk and performance. This means planning our audit work to address areas of risk relevant to our audit responsibilities and reflecting this in the audit fees. The determination of significant risks is a matter for auditors' professional judgment.

For each of the significant risks identified, we consider the arrangements put in place to mitigate the risk and plan our work accordingly. Current and emerging risks that do not impact on our audit are also discussed with management so that we may add value to the risk assessment process and highlight any areas of concern to the Council.

If you consider there to be other significant risks of material misstatement in the financial statements or, arrangements for securing economy, efficiency and effectiveness in the use of resources, whether due to fraud or error, please let us know.

Summarised below are the significant audit risks that impact on our audit of which we are currently aware.

FINANCIAL STATEMENTS AUDIT RISKS			
RISK	RISK DETAIL	ACCOUNTS AREA AND ASSERTIONS	AUDIT RESPONSE
MANAGEMENT OVERRIDE	Auditing standards presume that a risk of management override of controls is present in all entities and require us to respond to this risk by testing the appropriateness of accounting journals and other adjustments to the financial statements, reviewing accounting estimates for possible bias and obtaining an understanding of the business rationale of significant transactions that appear to be unusual.	Financial statement level risk across all account headings and assertions.	We will carry out audit procedures to review significant journals and other adjustments in preparing the financial statements, review the reasonableness of assumptions used by management when including accounting estimates, and obtain an understanding of unusual transactions.
USE OF RESOURCES AUDIT RISKS			
RISK	RISK DETAIL	AUDIT RESPONSE	
USE OF RESOURCES	We have not identified any significant risks in relation to our use of resources work.	Whilst there are no significant risks identified, to obtain an appropriate level of understanding, we intend to give particular regard to arrangements in the following areas when completing our use of resources work: <ul style="list-style-type: none"> • Implementation of the new finance system and integrated finance team • Review of the medium term financial strategy and effectiveness of the Transformation Enquiry Groups • Delivery of savings and service integration with Mid Suffolk District Council. 	

AUDIT TIMETABLE

The timetable for key reports, opinions and conclusions from the audit will be:

OUTPUT	DATES
FINANCIAL STATEMENTS	
Review of internal controls	April 2014 - June 2014
Final audit visit	August 2014 - September 2014
Audit opinion covering: <ul style="list-style-type: none"> • ‘True and fair’ opinion on the financial statements • Information in the Statement of Accounts being consistent with auditor’s knowledge • Annual governance statement is prepared in accordance with guidance and not inconsistent with auditor’s knowledge • Opinion on the Whole of Government Accounts return. 	Clearance meeting to be held September 2014 By 30 September 2014 By 3 October 2014
USE OF RESOURCES	
Review of economy, efficiency and effectiveness	January 2014 - August 2014
Value for money conclusion	By 30 September 2014
GRANTS	
Audit of grant claims and returns	August to November 2014
REPORTING	
Report on any significant deficiencies in control (if required)	May 2014
Final report to those charged with governance	September 2014
Annual Audit Letter	October 2014

We will agree specific dates for our visits with officers in advance of each part of our programme, and we will work closely with officers during the year to ensure that all key deadlines are met. We will also meet regularly with senior officers to discuss progress on the audit and obtain an update on relevant issues.

The matters raised in our report prepared in connection with the audit are those we believe should be brought to your attention. They do not purport to be a complete record of all matters arising. This report is prepared solely for the use of the council and may not be quoted nor copied without our prior written consent. No responsibility to any third party is accepted.
