The Head of Economy submitted a report ([Paper P116](#)) requesting authority for the Head of Economy to submit the CIL revised draft charging schedule and supporting documents and evidence for formal examination in accordance with the CIL Regulations 2010 (as amended).

Authority was also requested for the Head of Economy to make minor changes and corrections to the CIL revised draft charging schedule and associated documents and to respond appropriately to matters emerging during the examination process.

Members were referred to previous Strategy Committee reports submitted in May and October 2014 and January 2015 for further background and advised that a range of contextual workshops had been held during 2014 for District Councillors and Town and Parish Council representatives.

The Head of Economy then gave an update on the comments received from consultations and answered a number of questions from Members.

RESOLVED

- (1) That the main issues raised during the consultation on the CIL Draft Charging Schedule and CIL Revised Draft Charging Schedule (set out in Appendix B and C of Paper P116) be noted.**
- (2) That the Head of Economy be authorised:-**
 - (a) to submit to the Examiner the CIL Revised Draft Charging Schedule (Appendix A to Paper P116) and supporting documents and evidence for formal Examination pursuant to Regulation 19 of the CIL Regulations 2010 (as amended).**
 - (b) to make minor modifications and corrections to the CIL Revised Draft Charging Schedule and associated documents to address matters which may arise during the formal Examination process.**

The business of the meeting was concluded at 2.45 p.m.
