Paper [L32](#) Report by the Head of Contract and Asset Management attached.

12 UPDATE ON SUFFOLK COUNTY COUNCIL HEALTH SCRUTINY ARRANGEMENTS

The Director of Corporate Services to report on the current position regarding Suffolk County Council's review of its health scrutiny arrangements.

The background to this matter is that at the meeting of this Committee on 1 February 2011, the Director of Corporate Services informed Members that the County Council intended to review the new scrutiny arrangements which it had set up, following its decision to operate a single Scrutiny Committee. In the interim, Councillor Mrs Munson (who was Babergh's representative on the former Suffolk County Health Overview and Scrutiny Committee) was to be invited to any meetings set up to scrutinise health related matters arising from the new Committee's work programme.

At its meeting on 26 May 2011, the County Council agreed to establish a Health Scrutiny Committee in addition to its Scrutiny Committee. The terms of reference and membership have yet to be agreed but it is anticipated that the requirement for any District Council representation is that it should not be drawn from members of the Executive (or, in Babergh's case, the Strategy Committee). The first meeting is due to be held on 20 July, and the Chairman will be Councillor Anne Whybrow.

Sue Morgan, Scrutiny Team Manager at the County Council, will advise Suffolk Councils through their relevant Chairmen and officers as the detailed arrangements are put into place, and part of this process will be to ensure that the health scrutiny arrangements complement the (shadow) Suffolk Health and Wellbeing Board which is currently being developed. Regard will also be had to any relevant matters arising from the proposals for GP Commissioning Consortia.

**In the meantime Members are asked to note the following:-**

- At the Annual Council meeting on 19 May, Mrs Munson was appointed to represent the Council on the Suffolk Scrutiny Committee for health related matters (substitute Member Dr Michael Bamford) and this remains the appointment position at the present time.
- The Director of Corporate Services will report to a future meeting of this Committee once the County health scrutiny arrangements have been finalised.
- Full Council will be asked to confirm any formal appointment under the new arrangements, in due course.
