6 HACKNEY CARRIAGE FARE TARIFF VARIATION

The Corporate Manager – Open for Business, introduced [Paper S24](#) referring to the fare tariff for Hackney Carriage operation in the controlled zone of Babergh District. As part of recent licence fee revisions, operator feedback suggested that an increase in tariff is now due.

It was noted that the last increases to the tariff came into effect in December 2010 and that a suitable period of consultation with the trade has already taken place.

The Corporate Manager then responded to Members' questions, in relation to the tariff table attached as Appendix A, whether the same increase would come into effect in Mid Suffolk and how the tariff in Babergh compared to other Local Authorities in the region.

RESOLVED

That the revised tariff table attached as Appendix A to Paper S24 be approved. Further that the Corporate Manager – Open for Business be instructed to proceed with the Notice advertising the variations.

The business of the meeting was concluded at 9.45 a.m.
