9 COMMUNITY SAFETY PARTNERSHIPS

Mike Hammond – Interim Transformation Director (Acting Director for Place) – to report that Members have previously been updated and made decisions on Babergh’s future involvement in Local Strategic Partnerships and that the funding and subsequent engagement by Members in other significant partnerships will be determined through the budget making process.

With regard to Community Safety Partnerships (CSP) these are statutory. Babergh has its own partnership whilst Mid Suffolk forms part of the West Suffolk CSP alongside St Edmundsbury and Forest Heath Councils. Following discussions between all interested parties there is now one Responsible Authorities Group and one officer working group for all four local authority areas. This has enabled pooling of resources on much reduced budgets. Continuing this arrangement will be beneficial to Babergh and Mid Suffolk as it will enable officers to concentrate limited resources on one rather than two partnerships. Localised working on priorities will not be diminished by the changes.

The Committee is asked to formally endorse this revised working arrangement which will lead to a single Community Safety Partnership cover the District of Babergh, Mid Suffolk, St Edmundsbury and Forest Heath.
